Part #	Installation	Market Use	Description	Retail Price
F2T	Drop In Tank	Outdoor Power	Hand held equipment with engines under 3.5 hp	\$22.18
F4T	Drop In Tank	Outdoor Power	Lawnmower, small generators, power washers, blowers. Max 25 hp & Max 5 gallons	\$29.59
F5T - 1	Drop In Tank	Recreational Vehicles	Scooters, small off road machines, small outboard motors. Max 25 hp & Max 2.5 gallons	\$29.59
F5T	Drop In Tank	Recreational Vehicles	Motorcycles, snowmobiles, ATVs, Jet Skis, Outboard motors. Max 150 hp & Max 10 gals.	\$52.78
F5TS	Drop In Tank	Recreational Vehicles	Designed for flexibility for machines that have backbones built into fuel tanks. Max 10 gals.	\$52.78
F6T	Drop In Tank	Auto/SUV/Truck/Marine	Gasoline tanks up to 25 gals max/95 liters - Diesel tanks up to 18 gal/70 liter	\$166.18
F8T	Drop In Tank	Auto/SUV/Truck/Marine	Gasoline tanks up to 35 gals max/135 liters - Diesel tanks up to 25 gal/95 liter	\$212.56
F10T	Drop In Tank	Auto/SUV/Truck/Marine	Gasoline tanks up to 45 gals max/170 liters - Diesel tanks up to 35 gal/135 liter	\$258.93
F12T	Drop In Tank	Auto/SUV/Truck/Marine	Gasoline tanks up to 55 gals max/210 liters - Diesel tanks up to 45 gal/170 liter	\$305.30
F14T	Drop In Tank	Auto/SUV/Truck/Marine	Gasoline tanks up to 65 gals max/246 liters - Diesel tanks up to 55 gal/210 liter	\$374.85

Part #	Installation	Market Use	In Line Units for Commercial and Misc. Equipment Use	Retail Price
F100	In Line Unit	Burners, Auto, Misc.	Gasoline engines Max 4 cylinder & Max 100 HP (Residential burners, truck reefers) Diesel engines less than 4 cylinder - Max fuel flow 10 gallons per hour - Max 55 HP	\$160.26
F200	In Line Unit	Auto, Marine, Misc. Equipment	Gasoline engines Max 6 cylinder & Max 200 HP	\$204.29
F300	In Line Unit	Auto, Marine, Misc. Equipment	Diesel engines Max 2.0 liter engine - Max fuel flow 20 gallons per hour - Max 125 HP	\$259.79
F400	In Line Unit	Auto, SUV, Trucks, Marine Misc. Equipment	Gasoline engines Max 8 cylinder - Max 300 HP Diesel engines Max 4.7 liter - Max fuel flow 30 gallons per hour - Max 175 HP	\$345.93
F500	In Line Unit	Auto, SUV, Trucks, Marine Misc. Equipment	Gasoline engines Max 8 cylinder - Max 400 HP Diesel engines Max 5.7 liter - Max fuel flow 60 gallons per hour - Max 225 HP	\$451.21
F750	In Line Unit	Auto, Marine, Misc. Equipment	Gasoline engines Max 10 cylinder - Max 500 HP Diesel engines Max 12.0 liter - Max fuel flow 80 gallons per hour - Max 300 HP	\$652.19
F1000	In Line Unit	Commercial equipment Marine, Misc. Machinery	Diesel engines Max 15.0 liter - Max fuel flow 120 gallons per hour - Max 400 HP	\$862.74
F1500	In Line Unit	Commercial equipment Marine, Misc. Machinery	Diesel engines Max fuel flow 180 gallons per hour - Max 700 HP	\$1,237.90
		Commercial equipment	Diesel engines Max fuel flow 240 gallons per hour	

Part #	Installation	Market Use	Installation Hose Kits with OEM factory fittings	Retail Price
IN4 24	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F200 & F300 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$102.84
IN4 24B	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F400 - F1000 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$112.41
IN4 36	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F200 & F300 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$108.58
IN4 36B	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F400 - F1000 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$118.15
IN6 24	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F200 & F300 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$56.90
IN6 24B	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F400 - F1000 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$66.47
IN6 36	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F200 & F300 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$66.47
IN6 36B	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F400 - F1000 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$76.04
IN6 288	5/16 fuel hose	Auto, SUV, Trucks, Marine	Use with F200 & F300 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$53.07
IN8 24	3/8" fuel hose	Auto, SUV, Trucks, Marine	Use with F200 & F300 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$60.73
IN8 24B	3/8" fuel hose	Auto, SUV, Trucks, Marine	Use with F400 - F1000 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$70.30
IN8 36	3/8" fuel hose	Auto, SUV, Trucks, Marine	Use with F200 & F300 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$70.30
IN8 36B	3/8" fuel hose	Auto, SUV, Trucks, Marine	Use with F400 - F1000 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$79.87
IN8 1416B	3/8" fuel hose	Auto, SUV, Trucks, Marine	Use with F400 - F1000 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$75.08
IN8 186B	3/8" fuel hose	Auto, SUV, Trucks, Marine	Use with F400 - F1000 to complete an installation kit for auto/truck/SUV - adaptors & fittings incl.	\$53.07

Part #	Installation	Market Use	Installation Hose Kits with Raw Ends w/ barb splicers	Retail Price
IN6G 24	5/16 fuel hose	Auto, Marine, Misc. Equipment	Generic hose w/ raw ends to adapt to fuel line - use w/F200 & F300 - barb splicers included	\$56.90
IN6G 24B	5/16 fuel hose	Auto, Marine, Misc. Equipment	Generic hose w/ raw ends to adapt to fuel line - use w/ F400 - F1000 - barb splicers included	\$66.47
IN6G 36	5/16 fuel hose	Auto, Marine, Misc. Equipment	Generic hose w/ raw ends to adapt to fuel line - use w/F200 & F300 - barb splicers included	\$64.56
IN6G 36B	5/16 fuel hose	Auto, Marine, Misc. Equipment	Generic hose w/ raw ends to adapt to fuel line - use w/ F400 - F1000 - barb splicers included	\$74.13
IN8G 24	3/8" fuel hose	Auto, Marine, Misc. Equipment	Generic hose w/ raw ends to adapt to fuel line - use w/F200 & F300 - barb splicers included	\$56.90
IN8G 24B	3/8" fuel hose	Auto, Marine, Misc. Equipment	Generic hose w/ raw ends to adapt to fuel line - use w/ F400 - F1000 - barb splicers included	\$66.47
IN8G 36	3/8" fuel hose	Auto, Marine, Misc. Equipment	Generic hose w/ raw ends to adapt to fuel line - use w/F200 & F300 - barb splicers included	\$66.47
IN8G 36B	3/8" fuel hose	Auto, Marine, Misc. Equipment	Generic hose w/ raw ends to adapt to fuel line - use w/ F400 - F1000 - barb splicers included	\$76.04
IN10G 36B	1/2" fuel hose	Marine, Misc. Machinery,	Generic hose w/ raw ends to adapt to fuel line - use w/F1000 or F1500	\$79.77
